June 18st, 2017

Dear Fountain View Lot Owners,

As of today there is a Boil Water Notice in effect for the entire park until further notices. Sam is on site and working on the problem. Sorry for any inconveniences and we will keep you posted.

I am on Vacation but I will still get messages from the emergency line. I am not at the house.

Thank you for your support.

Kind Regards,

Keith S. Kazor LCAM
